illumatape black corner profile

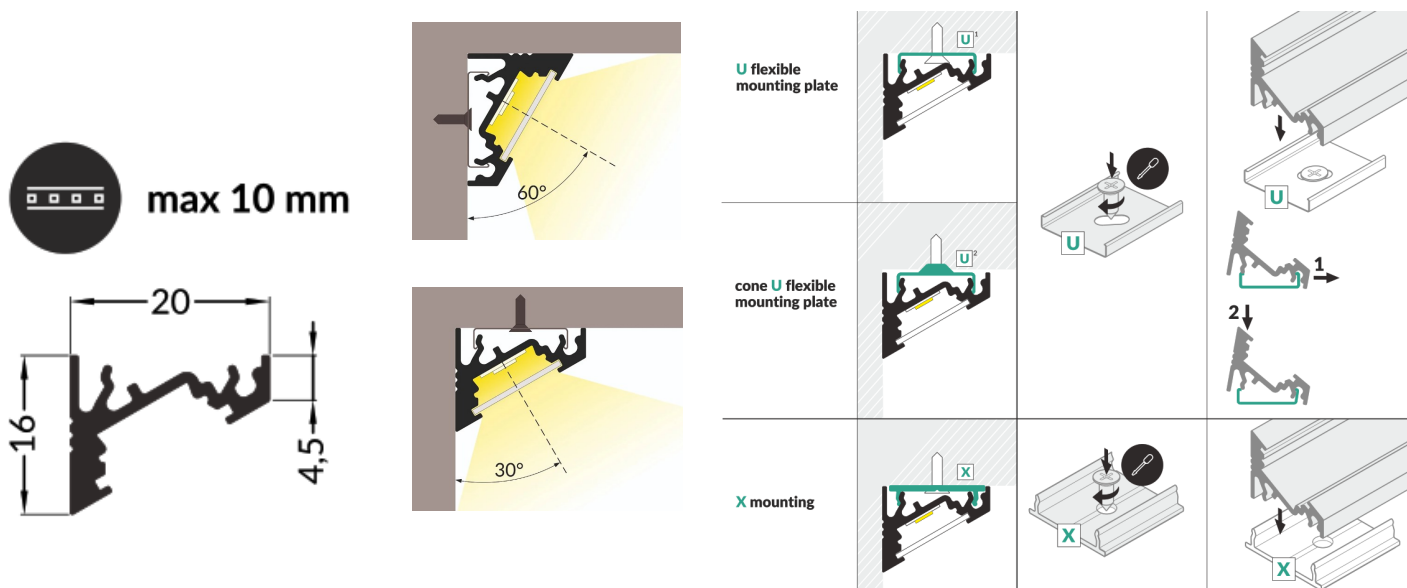

Product Code PROF.CP.001.BL

A versatile corner aluminium profile. This is supplied in 2m lengths and also available in anodised, white and black finishes. This profile is available with an economical slide-in cover, clip-in cover or domed cover. This product can be mounted at a 30mm or 60mm angle allowing for variation in the lighting effect.

This product is suitable for all LED tapes up to a maximum of 10mm in width. End caps and fixing clips available to purchase separately.

Please contact Brevont for technical support with your project.
