illumatape white deep profile

Product Code PROF.DP.001.WH

This is a compact surface aluminium profile. This is supplied in 2m lengths and is available in anodised, white and black finishes. This profile is available with an economical slide-in cover, or clip-in cover. The increased depth helps to reduce LED spotting for a homogenous effect.

This product is suitable for all LED tapes up to a maximum of 10mm in width.

End caps and fixing clips available to purchase separately

Please contact Brevont for technical support with your project.
